The United States are not likely to conserver, soon that the Rebels are not likely to conserver a de facts Government, nor very likely to conserve to derive title to the compreparity through that imaginary concerns the being a soverign State, dealing with other States according to the customary methods, they are said especially likely to submit, without process of statesment, to decrees which may be registered against them by a Court of Chancery sitting in Westminster Hall.

A NAVAL ORDER

A NAVAL ORDER.

The Secretary of the Navy has directed that Masters and Eusigns of the Regular Navy, and Mashipmen serving on board any naval steamer, without after be taught thoroughly the duty of steam engineer-

MUSTERED OUT. From the 3d to the 8th of August, 1365, fifty six regiments, batteries and companies were mostered out of the United States service, by order of the Secutary of War.

SOLDIBES PAY

The Acting Second Controller has decided that to reimburse the Government for loase or solder for which they are liable to stoppages of pay disbursing accounting officers are justified in withholding suf-portion of money due the soldiers either as pay, bound, or for money deposited with paymasters on check-books.

The Department of State has received infor-mation from John G. Nicolay, the recently appointed United States Consul at Paris, and formerly the private secretary of the late President Lincoln, that he has urrived at his post and entered upon the duties of his office.

Dr. James M. Knox has lately bought for his farm at Easex, Vt., five American merine ewes of Mr. D. Giddings of Westford, Vt., for which the latter had the temerity to charge, and the former to pay, the sen of \$5,000. The historian of the "sheep fever" is jet to
